LONG-TERM CERAMIC PAINT COATING

Q7 Crystal

Super hydrofobic crystal gloss quartz permanent nano-coating. World-renowned nano-ceramic coating applied successfully on thousands of cars around the globe. It's nano particles create hydrophobic, durable and a high gloss protection layer.

BOX CONTAINS:
applicator, suede cloth, microfibre cloth

LONG-TERM CERAMIC RIMS COATING

R1 Rim

Nano-ceramic coating for rims. Dedicated for chrome, aluminum and paint-coated rims. Super hydrophobic effect and protection from water, dust, salt scratches and UV-rays. Increased protection against scratches.

BOX CONTAINS:
applicator, suede cloth, microfibre cloth

QUARTZ CARE RELOADERS, SEALANTS

SLS

Professional cream for finishing car paint protected with ceramic quartz coatings. Reloads coatings and creates hydrophobic, extra-slick & durable finishing layer.

QUARTZ CARE RELOADERS, SEALANTS

PC-1

Very easy-to-use paint protection based on quartz, carnauba and PTFE. It perfectly repels water and gives extra gloss and depth to the color of paint while protecting from dirt settlement. PC1 can be used also as a reloader for ceramic paint coatings.

CAR WASH & COAT

Quartz Shampoo

Unique car shampoo for washing and protecting car body with quartz coating. Nano formula enhances paintwork color and protects from water, dirt, salt and UV-rays. Super hydrophobic effect & a high gloss. Every wash builds new protection layer.

IMPREGNATION

PR

Unique formula for conditioning rubber and plastic parts. New look and enhanced color. Creates flexible and damage-resistant layer allowing to use on new and old parts. Protection against water, dirt, salt and UV-rays.

LONG-TERM CERAMIC GLASS COATING

Gx Glass

Nano-ceramic coating for glass surface. Clear vision, hydrophobic effect, long-lasting protection for windows, mirrors and sunroofs.

BOX CONTAINS:
applicator, 2x - sprayer, 2x - microfibre cloth

RLS

Professional & advanced product for reloading ceramic quartz coatings. Slick & hydrophobic effect. Protection for car paint and glass. Enhanced color.

P14Si

Ceramic-based coating for car paint, glass, rubber and plastic parts. Hydrophobic effect and a high gloss. Easy to apply and polish. Dedicated for wet or dry surface.

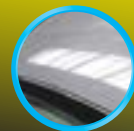

Cabrio Protector

Professional hydrophobic sealant for textile cabrio/convertible roofs. Protective coating for sealing textile structure. Unique formula does not allow structure to soak with water. Sealed textile is more resistant to dirt, salt and UV-rays.

NATURAL WAX PROTECTION 6 - 12 MONTHS

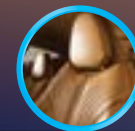

NATURAL WAX PROTECTION UP TO 6 MONTHS

EXTERIOR CLEANERS

CAR WASH

INTERIOR CARE - LEATHER

INTERIOR CARE - TEXTILE & PLASTIC

Carnauba 66

Professional carnauba wax with original & natural carnauba. Carnauba 66 contains greatest amount of carnauba among Tenzi ProDetailing products. Durable natural wax. Enhanced color and unique scratch-filling formula. Recommended as base coating layer applied before Carnauba Care and Carnauba Shine. Apply with rotary machine.

Average durability: 8-12 months

Carnauba Care

Professional light version of carnauba wax. Protection, gloss and color enhancement. Recommended as top or finish layer for Carnauba 33 or Carnauba 66 waxes.

Average durability: 1-2 months

Prix

pH neutral cleaner for metallic contamination like break pad dust and rust. Safe for aluminium, chrome, paint-coated rims. Dissolved metallic contamination changes color to red. Special gel formula allows PRIX to stick to cleaned surface to clean even more effectively. Action time: 3-5 minutes

Foam Pink / White

Thick snow foam for manual wash of car body. Pink color. Highly concentrated. Chemically neutral and biodegradable. Safe for car paint and coatings. Does not contain phosphates. Can be used with warm or cool water. Cherry smell.

Leather Cleaner

Ready to use deep cleaner for cleaning natural and syntetic leather. Deeply cleans even old dirt leaving the surface ready for protection coating.

APC IN

Professional all-purpase cleaning formula. Cleans heavy dirt on interior surfaces like: textile, plastic, rubber, leather, wood, metal, carbon. Dissolves organic dirt. Pleasant smell.

Cockpit Care

Professional dashbord coating. Antistatic and antireflective layer. Protects from dust. Pleasant smell.

Carnauba 33

Professional carnauba wax with original & natural carnauba. Durable natural wax. Enhanced color & unique scratch-filling formula. Recommended as base coating layer applied before Carnauba Care and Carnauba Shine. Apply with rotary machine.

Average durability: 6-12 months

Carnauba Shine

Unique formula of natural carnauba wax combined with PTFE brings protection and gloss to car paint. Enhanced color & unique scratch-filling formula. Few layers are recommended for best result.

Average durability: 3-6 months

Car Shine

Professional gloss booster and finish for car paint, glass and chrome. Removes waterspots. Brings extra shine.

Glass Cleaner

Professional glass cleaner. No stains or streaks. Clear vision for interior and exterior. Safe for rubber.

APC OUT

Professional concentrated product for car body pre-wash and dissolving heavy dirt. Removes tar, organic dirt and oil-based stains.

Punkt

A ready to use cleaner based on an alcohol and natural solvents. Removes pen or marker stains, chewing gum, oil, glue, shoe polish, bitumen, Plasticine, paraffin, tar, rubber and some spray paints. Leaves an intensive, fresh orange fragrance.

Leather Wash&Care

Professional liquid for systematical care for natural & syntetic leather surfaces. Cleans the surface from daily dirt and leaves thin protective layer. Dissolves organic dirt.

Leather Conditioner

Professional conditioning cream for natural and syntetic leather. Protects from UV rays, water and cracking. Brings natural look and smooth coating. Does not bring shine.

IPA Cleaner

Professional spray for degreasing car body parts before coating. Dedicated for car paint, rims, glass, rubber and plastic parts. Removes light dust, greasy stains and water spots. Perfect for preparing car paint and glass before ceramic quartz or wax coatings.

Clay Spray

Professional clay bar lube. Smooth slide and easy claying. Helps to remove dirt with clay bar. Safe for clay.
